Martijn Klem
Marjolijn Ketelaar

Supports project leaders to...

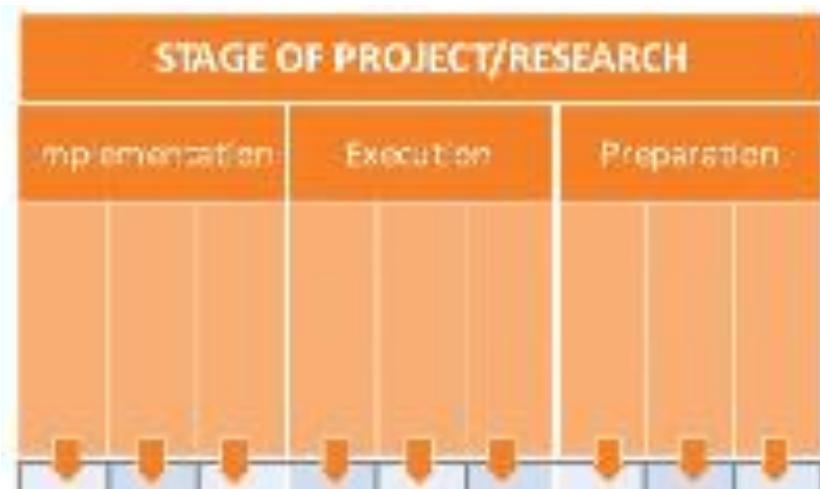

1. Focus more on collaboration
2. Improve organisation of collaboration
3. Report on collaboration systematically

Patient having influence in the project in a way
that is appropriate to him/her

		ROLE IN PROJECT/RESEARCH				
		Listener <i>Is given information</i>	Co-thinker <i>Is asked to give opinion</i>	Advisor <i>Gives (un)solicited advice</i>	Partner <i>Works as an equal partner</i>	Decision-maker <i>Takes initiative, (final) decision</i>
STAGE OF PROJECT/RESEARCH	Preparation					
	Execution					
	Implementation					

Rolls and phases
